I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out my appropriate sphere, I have in all cases declined, but with rio us instances, my own family, of Hoofland's Germunan Bitters, I depart for once from my usual course, express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and vatuable preparation. In some cases it may fall; but usually, I doubt not, it will be very beneficial to those why suffer from the above causes.
